

Personal Car Loan

We help you
get on the road faster.

Buying a car?
A Credit Corporation Personal
Car Loan can help you get
behind the wheel faster.

We can help when you don't have enough savings for the vehicle of your dreams, but can afford to repay a loan in monthly instalments.

Whether you are looking to upgrade the family car, buying a new car or something sporty, using your car as security you can acquire a Personal Car Loan with terms, repayments and features tailored to fit your budget.

With our fixed interest rates, we give you the certainty of knowing what the repayments will be over the life of the loan.

By taking out a car loan to finance your next car you can reduce your overall cash outlay which you may want to use for other purposes.
